Tap2Donate:- a sincere word of thanks to all who are using the Tap2Donate system to contribute to Parish and Clergy Funds. Last year the tax reclaim scheme was worth €33,000 to the parish. Newcastle West Parish is a registered charity and in order to fully avail of contributions over €250 to our Charity we need supporting documentation from the donors. For this reason we need to register your bank/credit card details. These are the steps you need in order to register on the Tap2Donate terminals in the church. If you use both terminals you will need to register on both.

The following are the steps;

1. Choose the amount you wish to donate
2. Tap Card
3. Press Next
4. Wait until correct sign disappears
5. Press Donor details; name, phone number, email address
6. Press consent box
7. Press submit

A Thought

"Jesus still calls, as he called the Twelve, to continue the loving ministry of Jesus in the world. At baptism, we receive the water of God's love and the oil of service, completed in confirmation, marriage and ordination. The needs of God's people are as great today as then. In a world of addiction, suicide, confusion, poverty, injustice and many other big needs, Jesus still looks and sees people 'like sheep without a shepherd'. He calls each of us, male and female, young and old into his service".
