The 'Working Document' for the **Irish National Synodal Assembly**, taking place in **Gormanston, Co Meath, on October 17th**, brings together the fruits of five years of prayer, listening and discernment and will guide delegates as they consider and vote on suggested actions to be presented to the bishops of Ireland. While the Assembly marks an important moment in the journey, the Synodal Pathway is now moving towards a new phase of implementation. **Everyone is invited to read, pray with, and reflect on the 'Working Document' and the question: "What does God want from the Church in Ireland at this time?"** Please pray for all those taking part in the Assembly and for the guidance of the Holy Spirit. You will find a copy on the document on the Synod website: www.synod.ie
