While our church is at the heart of our community, it is the time and talents of volunteers that help keep our parish active. Our community is made up of people who give their time but we need new people to share the work.. Sometimes an hour here or there, helping, supporting or joining a group can make a real difference. In the near future, **we will be appealing to members of our faith community to help out.** Together, we can ensure that our parish continues to be a place where everyone feels they belong.
